FRIENDSHIP

A friendship starts as a bud that soon grows into a flower.
A friendship can shatter but you can put the pieces back together.
A friendship is caring, honesty, and loyalty.
A friendship is daring to be the person you want to be.
A friendship is loving, a friendship is kind.
A friendship is something that takes a lot of time.
A friendship is understanding although at times we may disagree.
A friendship is like a boat that sinks when it’s I and not we.
A friendship is a daring surprise that is waiting to arrive;
Built up with anticipation
And the determination to bond together in cooperation.
A friendship is a word that turns into a story.
A friendship is not about hating, it’s about giving glory.
